

22–23 October 2025

**National Institute of
Biology,
Ljubljana, Slovenia**

CutCancer *final conference*

SHAPING TOMORROW: INNOVATIVE APPROACHES IN GENETIC TOXICOLOGY AND CANCER RESEARCH

The Final CutCancer Conference will bring together experts, stakeholders, and the public to exchange knowledge and foster collaborations in carcinogenesis and cancer research. The event will feature scientific talks, interactive discussions, and roundtable sessions, exploring emerging challenges and innovative solutions.
